CRM. Presentation

Place held: *Barcelona Stock Exchange*

The main aim of this event was to inform members about the activities of the CRM (Mathematics Research Centre at the UAB). It also gave the CRM direct access to business concerns and the requirements that, in the view of business, need to be covered.

As such, the event falls within the process of building bridges between Universities and Business so as to reach closer cooperation.

Speakers: Dr. Joaquim Bruna, Director of the CRM, Dr. Antoni Guillamón and Dr. Joan del Castillo.

Attendance: 10
